FOETRY.

WOMAN. Woman' thou lovellest gift that here below
Man can receive or Providence bestow!
To these the earliest offerings belong
Of opening eloquence, or youthful mong:
Lovely partaker of our dearest joys!
Thyself a gift whose pleasure never Thyself a gift whose pleasure never cloys—
Whose wished-for presence gently can appease
The wounds of penury, or slow discase—
Whose loss is such, as through life's tedious way.
No rank can compensate, no wealth 'repay'.
Thy figure beams a ray of heavenly light
To cheer the darkness of our earthly night.
Hall, fair Enslaver, at thy changing glance
Boldness recodes, and timid hearts advance.
Monarchs forget their scepter and their sway.
And sages melt in tenderness away.
—Winthrop Mackworth Prace.

LITTLE BLUE PIGEON.

Sleep, little pigeon, and fold your Wings—
Little blue pigeon with velvet eyes.
Sleep to the singing of mother-bird
swinging—
Swinging the nest where her little
one lies.

Away out yonder I see a star-Silvery star with a twinkling song; To the soft dew falling I hear it call-Calling and tinkling the night along n through the window a moonbear Little gold moonbeam with misty All silently creeping it asks: "Is he

sleeping and dreaming while mother sings?" Up from the sea there floats the seb Of the waves that are breaking upon the shore. As though they were grozning in an-guish and meaning— Bemeaning the ship that shall come no more.

But gleep, little pigeon, and fold your wings-Little blue pigeon with mournful Am I not singing? See, I am swing-Swinging the nest where my darling -Eugene Field.

THE PTALIAN BOOTBLACK.

What right divine gives me the kingly place
O'er him, my youthful subject, bending low?
Strive as I may, not mine his
thoughts to know;
Only to watch, with what unconscious Each flashing gesture telltale of his His eager hands fly swiftly to and Sort syllabled his alien accents flow; He lifts his eyes; at last I see his face.

Saw down to Hell, looked up to Paradisc:
Lorenzo's orbs are his that darkly
shine!
A nation's history is in these eyes,
Thy pathoc and thy promise, Italy!
George H. Bottome, in the Atlantic
